

COMPARE PROPERTIES PAGE

Compare three properties side-by-side to shortlist one of them. It highlights similarities and differences of the three properties you select based on location, size, price, project completion status, GHMC approval, time to occupy, no. of units available, and so on.

REAL ESTATE BLOG

Follow our blog for the latest news and event updates from the real estate sector. We simplify jargons, cover legal stuff, and provide information that impacts your buying decision.

FAVOURITES

Mark your favourite projects to get an SMS or email every time there is an update to that property page. We update when there is a change in price, new photos, offers, discounts, or change in the project status.

Save Your Search

SAVED SEARCH

Save your search, and when you come back, you can start from where you left. Saves you time as you don't have to recollect what you searched for before.

"AREA" PAGE

In Property Adviser, Hyderabad is divided into six zones, North West Zone, West Zone, North Zone, South West Zone, North East Zone, and South East Zone. Each of these zones is sub-divided into areas. Select an area to get detailed information about the availability of all the residential projects in that area.

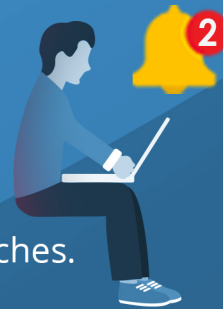

SMART SEARCH OPTION

Use the Smart Search option to find your dream home quickly. Filter by type, location, size, budget (min-max), and occupancy.

CUSTOM NOTIFICATION

Get notified by email and SMS when we

- Add new projects
- Change the number of unsold projects in your saved searches.
- Update projects that are part of your saved searches.

MONTHLY UPDATES

Every month we visit project sites to get updates for you. Find out about the construction progress, project status, availability, price increase or decrease, offers and discounts without spending time, money and effort.

PROPERTY ADVISER - REAL ESTATE NEWSPAPER

Read news and project updates either online or subscribe to our print edition. We publish 1 lakh copies every month.

DATA ANALYTICS

Find out about the trending projects in different locations, how much they cost, the number of rooms they have and know when you can occupy the house. We represent the data graphically.

UNBIASED INFORMATION

Property Adviser is a property directory. We don't charge money for listing the project or updating the project details every month. Therefore, you get unbiased information.

NO DUPLICATE LISTING

Property Adviser lists a project only once.
